

# Miss Abbey- C16

## Term 1 Overview

### Reminders

#### Hats

Hats must be worn when students are outside at all times across the year. Please make sure your child brings a hat to school as there are limited shaded areas for them to play if they do not have one. Students are able to leave their hats at school.

#### Sunscreen

Please remember to apply sunscreen before school. The classroom will provide a bottle of sunscreen for your child throughout the school day.

### Swimming

Students will be starting swimming from week 2. All students need to have bathers, a towel and a plastic bag.

### Important Dates

11<sup>th</sup> March- School Disco

### Fruit

An important part of our daily routine is fruit time. It is strongly encouraged that your child brings a piece of fruit for them to eat at fruit time.

### English

Each student will be working towards individualised goals for writing, reading and speaking.

All students will be involved in the school wide Read Write Inc. literacy program. This program will provide students with the opportunity to develop their phonological awareness, speaking, reading and writing skills.

These skills will be strengthened through class shared reading and daily reading activities within the classroom.

### Math

This term's focus in math is number, shape and pattern. Throughout these topics students will be working on strengthening their knowledge and developing new skills and strategies.

Each student will be working towards their individual One Plan goals.

### Inquiry

Students will start the term learning about school routines and expectations. We will then move onto the Child Protection Curriculum where students will be learning about the human body, emotions and feelings.

Later in the term our inquiry focus will be Australian Animals.
