

ELIZABETH SOUTH PRIMARY SCHOOL

UNIFORM POLICY

Underpinned by DECD Policies: Approved by ESPS Governing Council

UNIFORM

It is expected that students wear a school uniform every day except where it is a special event that has been communicated to parents / carers. This would include events like casual days, Sports Day and camps. We believe that school uniforms develop a sense of belonging and pride in students and help promote the spirit of the school. School uniform enables the identification of students who are not part of our school and reduces peer pressure. Grounds for an exemption can be provided on application.

The school's uniform colours are navy blue and gold.

The school has a range of new uniforms for sale through the front office which are available for purchase Monday to Friday 8:30-3:30. In addition to this, to support all parents / carers in complying with this policy, second-hand uniforms are available for purchase at reduced prices through the front office.
