C4 NEWS

The start of the year has been very busy. We have been learning about how school works, writing our names and practising counting. One of our favourite parts of the day is when we are learning the sounds that letters make. Each of the sounds have an action and a song that we learn to help us remember the sound that the letter makes. We play games together to practice the sounds. We have also started our Science and Oral Language learning about our 5 senses. We enjoyed taking a silly photo to show the parts of our body that we use for seeing, hearing, smelling, tasting and touching. During bookmaking time, we have been working hard to include writing in our books.

D1 NEWS

We have been racing all around Europe as part of our Amazing Race. Students organised themselves into teams and raced from country to country, completing challenges and learning about Europe as they went. The competition was fierce, but in the end only one team could win. Congratulations to Matilda K, Shadow and Balicia. Next stop, South America...

REMINDER :

Issue 2 of Bookclub is due this Friday 16th March.

Thank you for your continuing support of Bookclub. It is greatly appreciated and we look forward to seeing our students read the books that we have been able to buy.

On Wednesday 4th April, we will be having our Books in Homes Assembly. This is a wonderful sponsored program that we take part in, allowing all our students to receive new books for them to keep.
