The closest guess will win the BIGGEST pumpkin to take home, plus a collection of pumpkin recipes to help decide what to do with all that pumpkin!

Pumpkins will be counted as they are harvested - ALL pumpkins will count, regardless of size. Guesses with payment can be made to classroom teachers or at the Kitchen during second break or after school.

LEARNING MUSCLE FOCUS: Planning

DIARY DATES

'working learning out in advance'

When students use their **PLANNING** learning muscle they:

- Think about what they want to get out of learning
- Assess which resources they may need
- Estimate how long it will take them
- Plan the steps they might take
- Anticipate what might get in the way

ACTIVITIES TO BUILD THEIR **PLANNING** MUSCLE AT HOME:

- Plan the weekly menu and shopping list together
- Encourage your child to save up for a special item
- When cooking, discuss cooking times, ingredients, and the steps needed to cook the food

DURING THE ACTIVITIES REMEMBER TO:

- Praise each other's good ideas and efforts
- Allow them to experiment with ideas
- Encourage their curiosity
- Stand back and let them learn

C5 NEWS

In C5 we have been busy learning lots of new things as part of our S.T.E.M project. We have really enjoyed doing the experiments with Mr Robert including making slime and growing crystals. The crystals grew over a few days and they made lots of different colours.

In writing we have been experimenting with "bookmaking". This way of writing allows children to be the author and illustrator of their books. They have really enjoyed creating books and stories.

ASSEMBLY AWARDS

D8 NEWS

On Monday the 20th of March, 22 students from D7 and D8 attend the National Young Leaders Day Conference at the Adelaide Convention Centre. The theme for this year's event was 'Imagination'.

Guest speakers included politicians, professional athletes, past student attendees and community leaders. Students were able to hear stories about their lives and ways that they have overcome adversity.

Students were able to see how even the smallest idea can turn into something big if they just use their IMAGINATION.
