NATIONAL SIMULTANEOUS STORYTIME

National Simultaneous Storytime
WEDNESDAY 23 MAY 2018

#NSS2018 www.alia.org.au/nss

On Wednesday 23rd of May, our school participated in National Simultaneous Storytime. Ms Danielle read the story 'Hickory Dickory Dash' to the whole school during assembly at the same time and day as thousands of other schools around Australia. We used our new audio-visual equipment, document camera and portable microphone in the hall to make the reading a huge success.

Our favourite page from the story was when the cat stepped in a dirty nappy in the nursery!

2018 CHOIR ASSESSMENT

Our Choir and Mrs Isemonger have had a busy year so far rehearsing our songs and learning special parts. As preparation begins for the 2018 Festival of Music we have been assessed from an outside Choir teacher. We would like to congratulate our Choir on receiving a B+!

C3 NEWS

The students have had access to boxes of various recycled cardboard during their morning investigations. They have made some amazing constructions, making replicas of famous buildings, castles and tall towers. They have used and strengthened many of their learning muscles through this experience. They have collaborated, listened and communicated, problem solved, shared ideas, designed, persevered, showed resilience, planning skills, imagination and much more.

They also applied their Maths and Science knowledge of 3D shapes and measurement strategies, counting, and working out how to balance as well as discovering some famous buildings around the world and where they are.

Learning can be so much fun!

D2 NEWS

The year 3/4 students from D2, D1 and C8 went on an excursion to compete against other schools in tennis at the new Playford Tennis Centre on Main North Road. They were split into three teams; Hawks, Crows and Power. Each team played five games and then finals to determine the final positions. Approximately 20 teams from a variety of schools competed in the day. The Hawks were the best placed team from Elizabeth South at the end of the day, finishing 4th in their division.
