PE (Mr Kyle)

This term students will be participating in activities which have a focus on catching, throwing and striking. Students will be involved in rotations each week which consists of 4-5 skill-based stations that are set up around the gym. Students will be in groups of 4 and after a period of time they will rotate around the gym making their way through each station and performing that

Health (Mr Kyle)

This term students will begin a unit on Personal Safety and Injury Prevention which also explores caring for others and exploitative behaviours. Throughout this unit students will be learning about safety rules at home, at school and in our community. A major focus in this unit is for students to understand what they can do when they are in times of need, as well as where and who they can

<p>skill. A major focus will be students' participation level rather than students' ability to perform the skill.</p>	<p>go to for help. Students will be working in groups to collaborate their understanding of safety rules.</p>
<p>The Arts: Media Art, (Miss Jenna) This term students will be using iPads to create motion pictures. Students will be learning how to use features on the iPad such as the camera, using still and motion recording, importing images, downloading and creating storylines. Students will then incorporate this all on a green screen recording app. We can't wait to see their creative and interesting stories!</p>	<p>Auslan What/how</p>
