What/how

Science: (Biological, Chemical, Earth & Space, Physical)

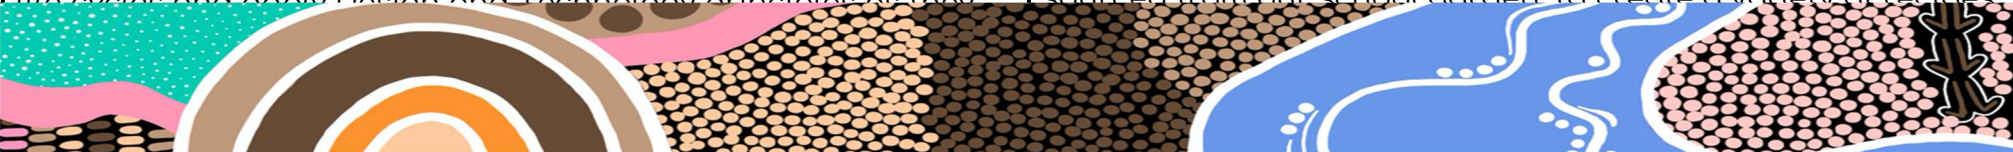

What/how

PE (specialist teacher)

This term students will be participating in activities which have a focus on catching, throwing and striking. Students will be involved in rotations each week which consists of 4-5 skill-based stations that are set up around the gym. Students will be in groups of 4 and after a period of time they will rotate around the

Health (specialist teacher)

This term students will be focusing on strategies to promote a health and safety lifestyle. Students will be analysing the Australian guide to healthy eating by categorising food they consume daily and identify ways they could make a healthier change in their own diet. Students will also be focusing on

<p>gym making their way through each station and performing that skill. A major focus will be students' participation level rather than students' ability to perform the skill.</p>	<p>physical activity and how it positively affects our bodies. They will be participating in various activities and researching just how it is beneficial in making you a healthier and happier person.</p>
<p>The Arts: (Drama, Dance, Media, Music, Visual) (specialist teacher) What/how</p>	<p>Auslan What/how</p>
